Bobby Neal Little is Volunteer of the Month at the Silver City Museum!
Great work, Bobby!

The Volunteer of the Month for June at the Silver City Museum is Bobbie Neal-Little. Bobbie was born right here in the Silver City Museum when it was the Silver City Fire Department. She enjoyed living at the fire station. They had horses, a cow, chickens, rabbits and turkeys. There were always people visiting and staying at the fire station. She attended Silver City schools and took some classes at WNMU. She worked at the telephone company across the street and then at the Community Public Service Company down the street. She is also a retired real estate broker (Neal Real Estate). She is a substitute volunteer for the museum. Oh, the stories she can tell! She is a wonderful asset to the museum.
